- I agree that all the information in the Foster Home Application is true and complete.
- I agree to keep this animal in my personal possession and to provide sufficient water, food, shelter, grooming and humane treatment at all times.
- I will inform KAWS Animal Rescue coordinators of any health problems with the animal or any behavioral issues that may arise with the animal.
- I will not hide any information about the animal and its temperament from potential adopters or from KAWS coordinators.
- I will provide adequate living conditions for the animal and that the premises where the animal is kept may be visited by KAWS coordinators at any time.
- I understand that the foster animal is not to run at large except in designated "off leash" areas and the animal will always be under direct supervision.
- I understand that KAWS will pay for medical expenses as long as sufficient resources are available. I understand that donated food will be provided however if I am able to I may purchase food for my foster animal.
- I understand that KAWS is the owner of the foster animal until time of adoption. KAWS reserves that right to remove the animal at any time.
- I understand that if I wish to adopt my foster animal I will contact the adoption coordinator as soon as possible and let them know of my decision. I understand that I must make that decision prior to entering into deliberations about adoption of the foster animal in my possession (i.e. I cannot adopt the animal once the potential adopters are involved in the adoption process – this includes emails and phone calls). I understand that regular adoption fees apply and I must sign an adoption agreement with KAWS.
- I will not hold KAWS coordinators or any representatives associated with KAWS responsible for any destructive or aggressive behavior exhibited by the rescue animal, or for any other problems that may arise pursuant to its foster care.
