

Spay / Neuter Contract for Cats

Website: www.kaws.ca
Email: kaws@live.ca

The following agreement is between KAWS Animal Rescue,
and _____, hereafter referred to as "Adopter".

The Adopter is given the responsibilities associated with the ownership of the kitten described below. Permanent ownership of this animal is contingent upon your compliance with this Addendum.

When the kitten is close to 6 months of age the Adopter will schedule a spay/neuter appointment with one of the approved vet clinics. The approved vet clinics are the Kindersley Vet Clinic (306-463-2651) and Corman Park Vet Services (306-384-7676). KAWS will be billed by the vet clinic for the total cost of the procedure. Any other costs that may incur, such as vaccinations, will be the responsibility of the Adopter. If the Adopter chooses to have the spay/neuter surgery done at a different vet clinic, KAWS will reimburse the Adopter up to \$175 for a spay and/or \$85 for a neuter upon receipt of a copy of the invoice.

In the event that the animal's health does not allow this agreement to be honored, KAWS must be notified by the veterinarian that this animal is not yet in physical or emotional condition for surgery. Based upon the vet's evaluation of the animal, KAWS will contact the vet and establish the earliest date that the procedure can be performed and will make the appointment accordingly.

By my signature below, I agree to have this kitten spayed/neutered at 6 months of age (unless otherwise agreed upon). I agree to pay the \$80 spay/neuter deposit to KAWS, which will be refunded upon proof of spay/neuter. It is the Adopter's responsibility to provide the proof of spay/neuter to KAWS. I understand that this spay/neuter contract is an agreement that this animal will not produce a litter of kittens either as purposely bred or by accidental breeding. To eliminate the chances of an accidental breeding, I agree to not let the animal outdoors unattended until the animal is spayed/neutered.

Failure to comply with this agreement will be considered a breach of the Contract, and the Adopter will be forced to return the animal back to KAWS and will NOT be entitled to a refund of any kind.
